we are --- *the* --- LAS VEGAS PIPE BAND.

--- ABOUT THE BAND ---

Based in Southern Nevada, the Las Vegas Pipe Band is a 501(c)3 non-profit organization established to improve Celtic music education in the region by building a corps of well trained bagpipers, drummers, and leaders.

We strive to raise the musicianship of our members and bring quality Celtic music to Las Vegas through public performance, competition, and education.

PRACTICE, PRACTICE, PRACTICE.

It really isn't as easy as we make it look.

The Las Vegas Pipe Band is committed to artistic excellence and continually provides instruction to our band members. We are one of a kind--currently the only organization of its type in Southern Nevada that teaches and performs bagpipes at a competition level.

The Las Vegas Pipe Band has 30 active members who put in a lot of work to provide quality bagpipe and drum music in Las Vegas. We regularly hold two weekly practices to existing and new members in order to maintain our skills and educate new members.

basically,
we know our stuff.
which is good because...

OUR BUSINESS IS SHOW BUSINESS.

We are committed to maintaining the highest level of musicianship among our members--but all work and no play makes for a dull pipe band indeed. We perform regularly at a number of events here in Vegas for the most important reason of all: **it's fun.**

We've performed on Fremont Street, and the Smith Center. We've entertained countless crowds at parades and pubs, and worked with Grammy Award-winning artists and even the Queen's personal bagpiper. Our performances are as unique and inspiring as each individual member of the band, and we'd love to show you.

STAYING SHARP.

It's not easy being the only game in town.

And we refuse to rest on our laurels--that's why the Las Vegas Pipe Band makes a point of traveling to competitions all over the west coast in order to make sure our members perform at the highest possible level.

Have pipes--will travel.

Our adventures take us to pipe band and solo competitions across the west coast. We frequent highland games in California, Arizona, Utah, and the Las Vegas Highland Games every April.

EVERYBODY WINS.

The best part about hiring the Las Vegas Pipe Band for your venue or event is that it is a mutually beneficial relationship. We bring crowds, music, and enthusiasm wherever we play, and add a unique element that other musical groups simply cannot compete with.

In addition, we are a non-profit organization--every dollar that is paid to the Las Vegas Pipe Band goes back into the band.

That means training more musicians, buying new equipment, and traveling to competitions to make sure Las Vegas is strongly represented in the Celtic community.
